Announcement, Invitation and Relevant Information

25 July 2008

Universidade Estadual Paulista "Julio de Mesquita Filho" - UNESP, is pleased to announce that the 6th International Symposium on Mobile Mapping Technology (MMT'09) will be held in Presidente Prudente, Brazil, from 21st to 24th of July, 2009. MMT'09 is intended to provide a common forum for researchers, scientists, engineers and practitioners throughout the world to present their latest research findings, ideas, developments and applications in the area of mobile mapping technology and applications. We are pleased to inform you that ISPRS and IAG confirmed their long-standing support to the Mobile Mapping Symposia, and are formal co-sponsors of this event.

The submission of the abstracts is invited via the MMT'09 website that is currently open for abstract submission. Please visit http://www.fct.unesp.br/eventos/simposio/mmt09/ingles/abstract_submission.php for submission guidelines. Details on the venue, local organizing and science committees, symposium topics, calendar, info news, preliminary program, registration, partners and sponsors, and tourist info are also provided on this web site.

MMT'09 is designed to balance science and technological advances with applications to promote the progress in mobile mapping technology. Therefore, the Local Organizing Committee (LOC) is actively working with several business and industry partners in Brazil and throughout the world in order to assure their participation in this Symposium, especially in the technical exhibition and in the state-of-the art technology session. Some of the companies in mobile mapping business have already committed to attending the Symposium. Companies interested in participation and co-sponsoring of the Symposium are invited to visit the Symposium website <http://www.fct.unesp.br/eventos/simposio/mmt09/ingles>, or to contact the LOC for more information (mmt2009@fct.unesp.br or mmt2009loc@fct.unesp.br).

We look forward to seeing you in Presidente Prudente, SP, Brazil, in July next year!
